### **Village Planters**

Great news, once again, Whiteparish Garden Club have confirmed they are happy to manage the planters for 2024 and Courtens Garden Centre are delighted to supply the bedding plants. Thank you to everyone involved with the planters.

### **Advertising Boards**

A frame advertising boards, whilst temporary, are appearing more frequently on the triangle of grass at the junction with Common Road and The Street, and staying for longer periods. Volunteers work hard with the planters, keeping this area looking tidy and Wiltshire Council have advised their contractors would not remove the boards when cutting the grass. Both the village and church noticeboards are close by for advertising, along with the shop. It was agreed to have no advertising boards on the grass and to ask them to be removed.

### **Grant Award**

The Council agreed to support Whiteparish All Saints Parochial Church Council with a grant of £1,200.00 towards the annual grass cutting of the church yard.

### **Disabled Parking Bay in Common Road**

In line with Wiltshire Councils Local Highway and Footway Improvement Group (LHFIG) All Saint's School, Whiteparish has submitted a request for a disabled parking bay in Common Road. Whiteparish Parish Council support the request and this is now with Wiltshire Council to consider. The Parish Council also understands that bays such as this are advisory and rely on goodwill of others. They are also not intended for an individual, but for any blue badge user.
