Romsey Road housing development

The Parish Council has been advised by Wiltshire Councillor Richard Britton that people who have an interest and wish to be considered for the affordable housing including rentable which is to be built in Romsey Road should be listed with Homes4Wiltshire. If you have any questions please contact Wiltshire Council.

Since the February Parish Council meeting the agent for Bargate Homes has informed the Parish Council that they are now progressing with their detailed design for the layout and design of the 25 homes and open space. Before they submit the application for the 'reserved matters,' they wish to consult with the community on their emerging proposals.

We have been advised their consultation will be hosted online - <https://masterlp.co.uk/romsey-road-whiteparish/> The consultation (and website) will open Thursday 27th February and comments on the scheme from residents will be invited by Sunday 16th March.

A representative of Bargate Homes will be attending the Parish Council meeting on 18th March and members of the public are welcome to attend and ask any relevant questions they may have.

Grants

The Council agreed to support Whiteparish Women's Institute with a grant for replacement litter pickers. The Parish Council thanks all the volunteers who keep the village looking tidy.

The Parish Council welcomes applications for grants from village voluntary groups. Applications for financial assistance must be applied for using the Parish Council Grant Awarding Policy which can be found on the website. Applicants must be able to demonstrate that any funding will benefit the Parish. Grant applications will be dealt with by the full Council.

Planning Applications

Village planning applications can be found on both Wiltshire Council and the New Forest National Park planning websites, depending which part of the village the application is in. The links can also be found on the Parish Council website.
