## PARISH COUNCIL NOTES

### **A27 Closure Whiteparish 40mph to Parkwater Road, Cowesfield**

The Parish Council has received notification that part of the A27 is to be closed for carriageway resurfacing / patching – preparation works in advance of surface dressing works.

Works are due to commence on 13<sup>th</sup> January 2022 and, circumstances allowing, are expected to take 2 nights to complete. The working hours will be 7pm until 6am.

Further information relating to these works can be found at [one.network](#).

### **A36 Closure with A27 Diversion**

Following residents and the Parish Councils concerns of the diversions through Whiteparish when Highways England close the A36 from the M27 in the south to A27 Brickworth/Whiteparish junction to the north, Wiltshire Council Traffic and Network Management have confirmed they will only be sanctioning the A338 as an alternative route for future planned works for any Highways England planned closures for the A36. With regards to the emergency tactical diversion route this has yet to be discussed and agreed by Wiltshire Council and Highways England.

### **Your Parish Council needs you!**

There are two vacancies on the Parish Council to be filled by co-option. Would you like to contribute to the working of the Parish Council and be involved in decision making? Meetings are held approximately every 5 weeks on a Tuesday evening. Training from the Wiltshire Association of Local Councils is available to new Councillors. Please contact the Parish Clerk for further information.

### **Christmas Waste and Recycling Collections**

There is no change to bin collection days this Christmas due to the days Christmas falls on, although the garden waste collection will stop for 2 weeks over this period with the last collections taking place on Friday 24<sup>th</sup> December and restarting on Monday 10<sup>th</sup> January 2022.

Residents who subscribe to garden waste collection will be able to leave their real Christmas tree out for collection with their garden waste bin on their first collection when the service resumes in the New Year.

For information about local recycling centres, recycling Christmas trees, collection days and advice on how to reduce waste and recycle as much as possible visit <https://www.wiltshire.gov.uk/rubbish-and-recycling>
